FOR THE TEACHER

Read-aloud guide

Aiden starts a new school year. A new girl in his class can read chapter books, and Aiden wishes he could too. With his big sister Emily's help, a reading chart, and 20 minutes a day, he finishes his first big book. About 15 minutes to read aloud.

Before you read

- Show the cover. What is Aiden holding? How do you think he feels about books?

While you read

- **The words look like "a jumble of spaghetti."** Show me with your face how Aiden feels.
- **Emily says read 20 minutes every day.** Aiden was busy playing. What did he forget to do?
- Stop and predict **Emily makes a reading chart.** After five stars there is a prize. What do you think the prize is?
- **Snow + man = snowman.** Clap the two small words with me!

After you read

- How did Aiden feel at the start? How did he feel at the end?
- Who helped Aiden? Who helps you?
- Close your eyes. Emily says reading makes pictures in your mind. What do you see?

Sing it!

Play **"Magic in Reading"** from the Adventures in Melody: Kids Songs, Vol. 1 album (listen at authormissrose.com/music). Kids can act out opening a book, turning pages, and cheering "I did it!"
